

Digital Agenda for New Tourism Approach
in European Rural and Mountain Areas

The DANTE Partnership is delighted to invite you to its
Final conference

How to reinforce ICT and tourism strategies in rural & mountain areas?
Which will take place in Brussels (Belgium)
on 25th June 2014 from 9.00 to 16.00
with the support of Nectour and ERRIN networks

On the occasion of this event, we will:

- Present DANTE final results: collection of good practices and reflection on implementation plans
- Introduce you to our web pilot application for tourism in rural and mountain areas
- Discuss how new regional strategies will bring closer tourism policies and digital agendas
