

ENERGY DAY:

Focus on Electricity and Gas Economics and Regulation

22 November 2018

University of Ljubljana, Faculty of Economics (FELU)
Kardeljeva ploščad 17, Ljubljana, Slovenia
Lila Hall

THE ENERGY DAY SESSIONS ARE OPEN TO ALL FACULTY, STAFF AND STUDENTS OF THE UNIVERSITY OF LJUBLJANA AND REPRESENTATIVES FROM SLOVENIAN FIRMS. ATTENDANCE IS FREE AND LIMITED TO THE NUMBER OF AVAILABLE SEATS ON FIRST-COME, FIRST-SERVE BASIS.

WHAT IS THE ENERGY DAY?

The Energy Day is a community outreach event organized by the Faculty of Economics of the University of Ljubljana with the participation of the Agency for the Cooperation of Energy Regulators (ACER), Slovenian Energy Agency, the Slovenian Association for Energy Economics (SAEE) and others. The Energy Day's objective is to disseminate knowledge about energy economics and regulation in the context of the choices and issues which the energy sector of the European Union and Slovenia face today. The Energy Day aims at bringing together faculty, students and staff from Ljubljana University and experts from ACER, the University of Ljubljana, SAEE, the Slovenian Energy Agency and firms in an open, discourse-oriented format where Slovenian and European perspectives on energy economics and regulation are highlighted.

The Energy Day will be conducted in English.

Participation in event is free. Please register on the link below, until Monday, 19 November 2018:
