

INVITATION TO STUDENTS and RESEARCHERS

We invite you to participate in the INDUSAC project - students can receive up to EUR 1000 gross/person!

FOR STUDENTS and RESEARCHERS

- Are you interested in participating in an international team of students and researchers?
- Would you like to connect with companies and students / researchers from all over Europe?
- Would you like to learn about working in a company?
- Do you like to solve challenges?

Jožef Stefan Institute, Ljubljana, Slovenia

As part of the INDUSAC project, companies will prepare challenges for students/researchers from various fields. Students/researchers will be able to apply to solve these challenges in three- to six-member teams and solve the challenge within 2 months; students will receive a reward for solutions of up to EUR 1000 gross/person.
